

Bertha Park Information Bulletin

Capability Scotland will keep you up to **date** with **information**

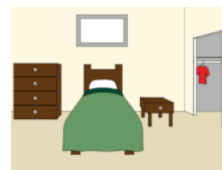

with our plans to **move** to **Bertha Park**.

Capability Scotland has a very **exciting opportunity** to **create** something really

special.

In this issue we will **look** at how one of the **bedrooms** could look like

Why do we have to move?

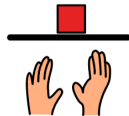

The building is **old** and **expensive** to repair

There is a **risk** of **flooding**

Why Bertha Park?

Capability Scotland want to create a really **special** new **Site** to meet **customer** needs

It's only **4 miles** from **Upper Springland**.

What you can do:

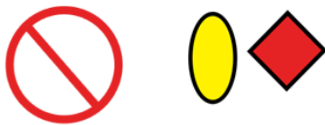

Give us your **opinion** or **ideas**

Tell us any **worries** you have

When will the **move** happen?

There will be **no change** for a while

It will be **4 years** before we will **move** probably **2025**

The Site

The High Street

Open space and Lake

Bertha Park High School

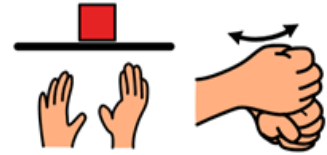

How the **bedroom** might look

How the **Bathroom** might look

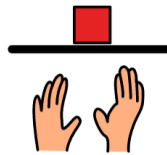

This will be a **big project** for **Capability Scotland** and we **want to make** sure we

get it **right**

Capability Scotland want to involve our **customers, families,** and

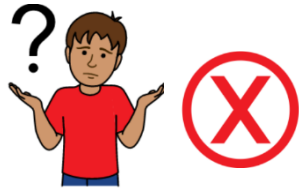

Staff

There is a **comments box** at **Upper Springland** to give us your

Opinions

Why we can't redevelop Upper Springland

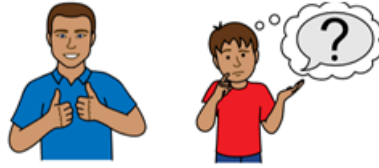

Capability Scotland will need a lot of **money** to **improve Upper Springland**.

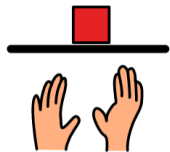

Upper Springland has also experienced **flooding** in the past from the **River Tay**.

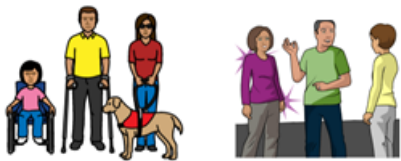

It would cause **upset** to our **customers**

Bertha Park will be exemplar What does that mean?

Capability Scotland want to create the **best** possible **place** for their

customers and staff

...

Capability Scotland want to be **ambitious** and create a really **special**

Place

Our **Senior Staff** at **Upper Springland** will be on hand to **help** or if

you **want** to **discuss** anything

Email us at: UpperSpringland@capability.scot

We will keep you updated with information
